**Career Opportunities within the Revenue Services Lesotho**

The Revenue Services Lesotho was established by an Act of Parliament in 2001 and became operational in 2003. The purpose of our existence is to **Positively impact Basotho’s livelihoods** by investing in our people and technology. The RSL has therefore put in place a three-year strategy for 2024 – 2027 themed “**Lesokoana**”.

Improved Employee experience, Value-driven Processes, Digitalization and Combined Assurance are our strategic pillars building up to the real RSL value. We are therefore known as one of the most professionally exciting and challenging employers in Lesotho.

**We are looking for young talent that has a good performance record. Applicants with either a First Class or Second Class, First Division pass will have added advantage.**

These positions provide excellent career opportunities for suitable candidates who can make a difference to the dynamic RSL Team through remarkable contribution towards revenue services in Lesotho.
