

## **Bacha Entrepreneurship District Roadshows to Empower Youth Across Lesotho**

**Maseru, Lesotho – 13 June 2025** – Revenue Services Lesotho (RSL), in partnership with the Basotho Enterprises Development Corporation (BEDCO) and Standard Lesotho Bank, is launching the Bacha Entrepreneurship District Roadshows a nationwide outreach programme aimed at empowering the youth through entrepreneurship.

The roadshows, set to commence on 16 June 2025 in Mokhotlong, will span all ten districts of Lesotho. These engagements are designed to raise awareness about the Bacha Entrepreneurship Project (BEP) and to guide young aspiring entrepreneurs on how to apply for this impactful opportunity.

The Bacha Entrepreneurship Project is a flagship initiative that supports innovative, youth-led business ventures across the country. Since its launch in 2014, the project has invested over M10 million, supported 33 youth-owned enterprises, and created 184 employment opportunities, contributing meaningfully to Lesotho's economic development.

For the 2025 funding cycle, an allocation of M1,000,000.00 will support five youth-led businesses, providing them with the capital needed to launch or scale their ventures.

This initiative reflects the strong commitment of RSL, BEDCO, and Standard Lesotho Bank to nurturing an inclusive entrepreneurial ecosystem, one that champions innovation, job creation, and economic resilience.
