

Revenue Services Lesotho Continues Nationwide Tax Education Outreach in Qacha's Nek

Maseru, Lesotho – 29 October 2025 - Revenue Services Lesotho (RSL) continued its Nationwide Tax Education Outreach Programme in Qacha's Nek from 27th to 30th October 2025, as part of its ongoing efforts to enhance taxpayer awareness and promote voluntary compliance across the country.

The outreach provided practical guidance on key tax matters, including business and employee registration, filing of returns, and compliance with the Tobacco and Alcohol Levy. These sessions were designed to benefit both businesses and individual taxpayers, strengthen compliance, and ultimately contribute to improved service delivery.

As part of the outreach activities, the RSL Mobile Office was stationed in parts of Qacha's Nek, offering on-the-spot taxpayer support and services.

This initiative forms a critical component of the Lesokoana Strategy 2024–2027, which envisions making tax compliance a natural and essential part of everyday life for all Basotho. The Qacha's Nek campaign marks another significant milestone in realizing this vision by bringing direct, accessible, and practical tax education to local communities.

Throughout the campaign, RSL officials engaged with residents through a series of educational sessions and interactive displays. These engagements focused on key tax topics, including:

- Understanding taxpayer rights and obligations
- Information on the Tobacco and Alcohol Levy
- Registration procedures for employees and businesses
- The importance of timely and accurate tax filing

Community members also benefited from a wide range of services provided through the RSL Mobile Office, such as:

Filing for the Tobacco and Alcohol Products Levy

Registration of employees and businesses

Assistance with e-Filing and other digital tax services

On-site responses to taxpayer inquiries

Through this outreach, RSL reaffirms its commitment to making tax education accessible to all and to ensuring that every Mosotho understands their role in contributing to national development through tax compliance.
