

Revenue Services Lesotho Calls on Taxpayers to Make the Final Push Ahead of Filing Deadline

Maseru, Lesotho – 18th June 2026 - Revenue Services Lesotho (RSL) is urging all taxpayers across the country to take advantage of the remaining days of the 2026 Filing Season and submit their tax returns before the filing deadline.

As the filing season draws to a close, RSL has noted encouraging participation from taxpayers who have already fulfilled their tax obligations. The organisation extends its sincere appreciation to compliant individuals, businesses, employers, and tax practitioners whose cooperation continues to contribute towards the country's economic growth and development.

Tax compliance plays a vital role in supporting the delivery of essential public services, including healthcare, education, infrastructure development, and national security. Every tax return submitted and every tax obligation fulfilled contributes to building a stronger and more prosperous Lesotho.

RSL continues to provide convenient channels to assist taxpayers throughout the filing process. Taxpayers are encouraged to utilise available digital platforms and visit the nearest RSL offices should they require guidance or support in completing their returns.

To ensure a smooth filing experience, taxpayers are advised to:

- Gather all relevant tax documents before filing.
- Verify that personal and business information is accurate and up to date.
- File returns before the deadline to avoid penalties.
- Seek assistance from RSL offices where clarification is required.
- Utilise digital filing and payment platforms where available.

The organisation remains committed to delivering efficient, customer-focused services while promoting voluntary compliance through taxpayer education and support.

As the 2026 Filing Season enters its final phase, RSL calls upon all taxpayers who have not yet filed their returns and paid their tax obligations to act now and avoid the last-minute rush.

Together, through responsible tax compliance, we can continue to support national development and create a better future for all Basotho.

-Ends-
