

RSL CORPORATE SOCIAL INVESTMENT & RESPONSIBILITY PULSE

Growing a Greener Lesotho, One Tree at a Time!

Revenue Services Lesotho (RSL) in partnership with the Ministry of Forestry and Environment has embarked on a nationwide tree-planting drive to plant 23 000 trees across the country, contributing to environmental conversation.

To kick start the 2026 tree planting initiative, RSL and the Ministry of Forestry and Environment planted 2000 trees at Ha Molipa, Kolonyama and 1640 at Ha Leburu Peka in Leribe district. Other trees were planted at Mokokoane Primary School (150), Kota Primary School (350), Kotanyane Primary School (50), Ha Khabo (50), Ha Lehloba (50) and Ha Ntsutsu (50).

Our commitment to a greener Lesotho began in 2023, when RSL celebrated its 20th anniversary by planting 20,000 trees. We then committed to planting an additional 1,000 trees every year until our 30th anniversary. This initiative reflects RSL's commitment to building a greener, healthier and more sustainable Lesotho.

Sponsorship for the institutions of higher learning academic awards

In line with its strategy to invest in people and technology, with the goal of becoming a leading data-driven organisation, RSL supports academic awards for top performers at the National University of Lesotho (NUL) and Limkokwing University of Creative Technology. RSL presented awards for outstanding performance to three graduating students from NUL. The recipients were Lebohang Masoabi (Best student in Economics), Rethabile Charles (Best Student in Accounting) and Thabo Mpopo (Best Student in Information Systems).

RSL also presented awards at Limkokwing University of Creative Technology to Mamoelo Mabekebeke as a best performer in creativity and innovation, graduating in Bsc Software Engineering with Multimedia and Lerato Lephallo – a nominee under Industry Award for Excellence in Diploma in Business Information Technology. Additionally, RSL presented awards at Botho University to Unathi Lenkoe as a best performer in Bachelor of Science in Computing and Kananelo Ralentsoe – as a best student in Bachelor of Accounting.

RSL congratulates Miss Lesotho 2026!

A huge congratulations to Reitumetse Makara, the newly crowned Miss Lesotho 2026. Revenue Services Lesotho (RSL) proudly supports Miss Lesotho as part of its contribution to youth empowerment and efforts to raise tax awareness among the younger generation through peer led initiatives.

As part of her prize, the newly crowned Miss Lesotho will undertake internship with the Revenue Service, where she will also serve as brand ambassador for the organisation.

RSL also applauds Miss Lesotho 2026 Runner up, Mahlape Bridget Ntšasa, and the outgoing Miss Lesotho 2024 Refiloe Makoe, who served the organisation with dedication throughout her tenure.

Bacha Entrepreneurship Project 2026 contest in full swing

Revenue Services Lesotho (RSL) in collaboration with Basotho Enterprises Development Corporation (BEDCO) and Standard Lesotho Bank launched the 2026 Bacha Entrepreneurship Project (BEP), calling eligible applicants to submit their proposals for the project. Bacha Entrepreneurship Project continues to demonstrate what can be achieved when institutions work together towards a common goal. Through this collaboration, the three organisations are creating opportunities that enable young entrepreneurs to transform innovative ideas into viable and sustainable businesses
